In 2020, Gilda’s Club Chicago served more than 50,000 unique people since opening our doors on Valentine’s Day in 1998.

Funding support in 2020 came primarily from three sources:

- Individual Contributions: 41%
- Corporations and Foundations: 29%
- Events: 30%

2020 demonstrated how important individual giving is to Gilda’s Club Chicago. Your support makes us more resilient.

As we look forward to 2021, we will continue to be inspired by our members as we look to serve more people and families impacted by cancer.

We are continuing to expand our use of technology that will help us reach and serve more people than ever before. When the pandemic passes, and we can provide a safe environment for our members, we will re-open our doors while also providing virtual programs wherever we can.
