Cancer Support Community played an integral role in the first statutory acknowledgement of the need to include psychosocial impact in the overall patient experience. CSC worked closely with Congress and the FDA to revise the definition of “patient experience data” to not only include physical, but also psychosocial impact of a “condition, therapy, or clinical investigation.” This will ensure that psychosocial care is integrated into comprehensive cancer care and could positively impact national healthcare coverage decisions in the future.

MEMBERS GIVING BACK

VOLUNTEER SPOTLIGHT

ASTELLAS

Volunteers play a tremendous role in the success of Gilda’s Club Chicago and come to us individually as well as corporate groups looking to give back to the community. Volunteers support GCC in a myriad of ways, including covering the front desk and greeting our members, representing GCC to the community at various events, sprucing up the Clubhouse, preparing food for special events and assisting at social events.

On September 13, 2018, Astellas came to the Clubhouse as part of their Changing Tomorrow Day efforts. The group spent the day performing some very detailed and most welcomed cleaning projects. Christy Noland, Director of Corporate Citizenship of Astellas, explained that every year on a global basis, the Japanese-based pharmaceutical company asks their employees to volunteer a day in the community. She further explained that the decision to support GCC was a “natural fit” given the wonderful work that GCC does for those who are impacted by cancer, and that the mission work aligns closely with the mission and vision of Astellas. Christy commented on how much it meant for GCC to “open up the Red Door to us”. Astellas has also been a generous donor to GCC.

MAKE AN IMPACT

Gilda’s Club Chicago relies on the generosity of the community to support our programming. Every donation demonstrates our shared commitment to ensure that no one faces cancer alone. Please consider making a gift of any size today. We also invite you to consider including Gilda’s Club Chicago in your estate planning. All legacy gifts are welcome. Ensure the sustainability of Gilda’s Club Chicago in a way that makes your core values known to others. Your support of our mission will be long remembered and serve as an inspiration to others.
