

Gilda's Club Chicago @ Work

One in two men, one in three women, and three in four families will be impacted by cancer in their lifetime.

A cancer diagnosis can have a profound impact beyond the home. **GCC@Work** can help you support friends and coworkers through common cancer challenges.

During your **GCC@Work** presentation, you'll learn more about:

- The history of Gilda's Club, including Gilda Radner's vision of a support community, and how you can get involved
- Social and emotional impact of cancer on a person living with cancer and on caregivers
- How to create a supportive workplace, from the manager and co-worker point of view

This presentation is offered free of charge by Gilda's Club Chicago, a free cancer support community. To learn more about Gilda's Club Chicago or this offering please call 312-464-9900, or inquire online at
